The Wildlife Sanctuaries, National Parks and Game Reserves are declared under Punjab Wildlife (Protection, Preservation, Conservation & Management) (Amendment) Act, 2007 of the Sections 16, 17 & 18 respectively.

SECTION 16

Wildlife Sanctuary.-

(1) Government may by notification in the official Gazette, declare any area which is the property of Government or over which Government has proprietary rights to be 'wildlife sanctuary' and may demarcate it in such manner as may be prescribed.

(2) The 'wildlife sanctuary' shall be set aside as undisturbed breeding ground for the protection of wildlife and access thereto for public shall, except in accordance with the rules, be prohibited and no-exploitation of forest therein shall be allowed except for reducing fire hazards, epidemic or insect attacks or other natural calamities.

(3) No person shall-

(i) enter or reside;
(ii) cultivate any land;
(iii) damage or destroy any vegetation;
(iv) hunt, kill or capture any wild animal or fire any gun or other firearm within one mile of the boundaries;
(v) introduce any exotic species of animal or plant;
(vi) introduce any domestic animal or allow it to stray;
(vii) cause any fire, or
(viii) pollute water in a wildlife sanctuary

Provided that Government may for specific purposes as are deemed expedient, authorize the doing of the afore-mentioned acts (other than those mentioned in clause (iv).

SECTION 17

National Park.-

(1) With a view to the protection and preservation of flora and fauna in the natural state, Government may, by notification in the official Gazette, declare any area which is the property of Government or over which Government has proprietary rights to be a 'national park' and may demarcate it in such manner as may be prescribed.

(2) A 'national park' shall be accessible to public for recreation; education and research subject to such restrictions as Government may impose.

(3) Provision for access roads to and construction of rest houses, hostels and other buildings in the 'national park' alongwith amenities for public may be so made and the forest therein shall be so managed and forest produce obtained as not to impair the object of the establishment of the 'national park';

(4) The following acts shall be prohibited in a 'national park':

(i) hunting, shooting, trapping, killing or capturing of any wild animal in a 'national park' or within one and a half mile radius of its boundary;
(ii) firing any firearm or doing any other act which may disturb any animal or bird or doing any act which interferes with the breeding places;
(iii) felling, tapping, burning or in any way damaging or destroying, taking, collecting or removing any plant or tree therefrom;
(iv) clearing or breaking up any land for cultivation, mining or for any other purpose; and
(v) polluting water flowing in and through the 'national park'

Provided that Government may for specific purposes, as are deemed expedient, authorize the doing of the afore-mentioned prohibited acts.
